## 2. Calculation Method

### A. Stroke Competition

- a. Within each International Woodball Championship of the International Tour Woodball Championships, the organizer will separately select the top 30 male and female to obtain the integration of "Calculation for the Points of International Tour Woodball Championships," and then their scores would be counted the way as followings:

Champion : 30 points  
2nd Place : 29 points  
3rd Place : 28 points  
:  
:  
29th Place : 2 points  
30th Place : 1 point

- b. Within each International Woodball Championship of the International Tour Woodball Championships, if there is the **Senior Group** (above 60) in each International Woodball Championship, the organizer will separately select the top 30 senior male and female players to obtain the **Senior Group Point**; the calculation way is the same manner with the above item. In the case of Senior Male or Female Group, if the number of players is under 30, the Senior Group Point will base on the number of players. If the number of senior players is under 30, the total number of players is "n" for example, and then their scores would be counted the way as followings:

Champion	: n points
2nd Place	: n-1 points
3rd Place	: n-2 points
:	
:	
The n-1 Place	: 2 points
The n Place	: 1 point

- c. If 2 or above players win the same place or share the same place in the competition, the acquired point shall be the average of the points of the players who succeed the same place or share the same place.

### **B. Fairway Competition (Single Elimination)**

- a. With 3 or more members of International Woodball Federation enroll and the participation of at least 8 or more players to the event, otherwise no points will be acquired.
- b. Each player who without enter the top 8 place acquires basic 3 points, and 5 points obtained for the winning player in each round up to 15 points.
- c. The top 8 players in Fairway Competition will acquire points as following:

Champion	: 30 points
